Families

Dear St. Paul's Members and Worshipers,

I want to thank all of you for maintaining your faithful giving during a very difficult year. Those of you who honored or memorialized loved ones by donating to the Tree of Lights greatly benefited our church's treasury. Those of you who contributed to the "Upcoming Maintenance Projects Fund" are helping us move ahead with needed repairs on the building. Finally, those of you who consistently have given your weekly tithes and offerings are allowing us to keep proclaiming the Good News of Jesus Christ and provide vital ministry and outreach to our community.

I believe you have done all of this because you know and understand how much the Lord has blessed you through this expression of His body, the local church, here at St. Paul's. You also know and understand that God's blessings are not to be hoarded but shared.

My prayer is that God will continue to guide us in 2021 as He has in 2020.

Merry Christmas & Peace,
Pastor Tim
