Live-streaming Equipment for St. Paul’s. In addition to the Red Lion community, the children & youth would like to help our church community. Therefore, the kids have taken on the task of raising funds for the live-streaming equipment that St. Paul’s will be purchasing to live-stream Sunday morning worship services and more.

Below are some of the ideas the youth had to raise funds to put toward their goal. Check the weekly bulletins for information on how you can support our youth and their efforts to support St. Paul’s.

Update on Upcoming Maintenance Projects giving— to date, a total of \$42,766.47 has been received towards the list of projects totaling over \$150,000. We thank you for your stewardship in this on-going project to keep the Lord’s house maintained!

Gift Cards are still available for purchase—Order forms for these are at the rear of the sanctuary. Completed orders can either be left in the church office, placed in the offering plate or given directly to Wanda Strickler. Card orders normally will be available in the church office after Wednesday of the following week unless otherwise noted. All of these can be used like any other gift card, the full face value of the card is what’s available for spending and a percentage of the purchase of each card comes back to St. Paul’s! Won’t you consider purchasing some of these as a way of helping out our church? Thank you.

Please note— Each Friday morning, Penn Waste comes in to empty our dumpster on in the parking lot. We ask that you avoid parking in the row out from the dumpster on that day, so that the truck can get in to dump it. Otherwise, they will forego us and the trash will sit for another week, making an odorous situation, especially during the summer heat. Thank you for your attention to this detail!
