

St. Paul's United Methodist Church Preschool

2021-2022

Dear Parents,

We welcome your child to Saint Paul's United Methodist Church preschool program. Our goal is to provide a quality program to help prepare your child for the kindergarten experience. We are looking forward to caring for your child and watching them grow in so many ways.

The following handbook will give you information about our program and our school policies. Please read the handbook and contact the church or teacher if you have further questions.

CHILDREN LEARN WHAT THEY LIVE

IF A CHILD LIVES WITH CRITICISM,
HE LEARNS TO CONDEMN.

IF A CHILD LIVES WITH HOSTILITY,
HE LEARNS TO FIGHT.

IF A CHILD LIVES WITH RIDICULE,
HE LEARNS TO BE SHY.

IF A CHILD LIVES WITH SHAME,
HE LEARNS TO FEEL GUILTY.

IF A CHILD LIVES WITH TOLERANCE,
HE LEARNS TO BE PATIENT.

IF A CHILD LIVES WITH ENCOURAGEMENT,
HE LEARNS CONFIDENCE.

IF A CHILD LIVES WITH PRAISE,
HE LEARNS TO APPRECIATE.

IF A CHILD LIVES WITH FAIRNESS,
HE LEARNS JUSTICE.

IF A CHILD LIVES WITH APPROVAL,
HE LEARNS TO LIKE HIMSELF.

IF A CHILD LIVES WITH ACCEPTANCE AND FRIENDSHIP,
HE LEARNS TO FIND LOVE IN THE WORLD.

GOAL OF OUR PRESCHOOL PROGRAM

St. Paul's United Methodist Church offers a Preschool program as a community outreach service. Our Preschool committee feels a need to create an environment in which our children will have a positive beginning to their educational experience. We want to extend an invitation to you and your family to visit with the St. Paul's members. Please consider joining us on Sunday morning for the Sunday School or Worship hour OR consider making St. Paul's U.M. Church your home.

For more information on programs, services, and times please check out St. Paul's Website:

GOAL OF OUR PRESCHOOL PROGRAM

St. Paul's United Methodist Church offers a Preschool program as a community outreach service. Our Preschool committee recognizes a need to create an environment in which our children will have a positive beginning to their educational experience.

We want your family to feel at home with the members of St. Paul's. Please consider joining us on Sunday morning for the Sunday School or Worship hour OR consider making St. Paul's U.M. Church your home.

For more information on programs, services, and times please check out St. Paul's Website: <http://www.saintpauls-um.com>

THE PHILOSOPHY OF THE PROGRAM

Our aims are to create a positive learning experience within a Christian environment so that the child may develop both an interest and joy in learning. Through offering a balance between social and pre-kindergarten academic skills, the Preschool hopes to provide each child with an opportunity to grow socially, emotionally, spiritually, and academically.

THE MISSION STATEMENT OF ST. PAUL'S UNITED METHODIST CHURCH

*We, a Christ-centered ministry inspired by the Holy Spirit are:
God's ears to hear the needs of others,
God's heart to feel what others feel,
and God's hand to help all people know his love.*

THE OBJECTIVES OF THE PROGRAM

1. To provide children with firm foundations on which the cognitive learning of later years will be built.
2. To encourage the child to develop at his own rate—physically, socially, and intellectually—by offering various learning experiences.
3. To meet the basic needs of each child.
4. To provide children with activities in the arts so that they may develop an appreciation of the arts through song, rhythm instruments, books, dance, movement, role playing, and activities of self-expression.
5. To encourage and build cooperative skills, manners, values, and to understand the importance of respect of oneself and others.
6. To develop an interest in literature through a variety of formats including books, story telling, poetry, drama, and video.
7. To develop an awareness of good health habits such as exercise, dental and personal hygiene, and diet.
8. To stimulate an interest in kindergarten readiness skills through activities in reading, science, math, social studies, art, music, and physical education.
9. To provide fundamental knowledge of our common Christian heritage.
10. To involve the parents in the preschool experience by communicating through frequent newsletters, holding parent conferences, organizing special programs, utilizing parent volunteers, and creating an open line of communication between the teacher and the parent.

CLASS SIZE

The 2-Day Class will be limited to 16 students and the 3-Day Class will be limited to 18 students. These follow the State Guidelines established for this age group and this type of program. In order to register for the 3-day class, the student must be eligible for kindergarten the following school year. To register for the 2-day class, the student must be eligible for kindergarten in 2 years. In the Red Lion School District, the students must be 5 by August 31st to be eligible for kindergarten.

CLASS INFORMATION

Morning Classes will meet from 9:00 A.M. – 11:30 A.M. Students should not be dropped off prior to starting time and should be picked up promptly at dismissal time.

The 3-day class will meet on Mondays, Wednesday, and Fridays. The 2-day class will meet on Tuesdays and Thursdays.

SAFE SANCTUARIES CHURCH

St. Paul's is a "Safe Sanctuaries Church". All teachers and workers with children and youth have their criminal background and child abuse clearances. The health and safety of our children and families is our highest priority.

POTTY TRAINING

It is a requirement that any student entering the Preschool program should be potty trained. Any questions concerning this matter should be directed to the teacher.

SCHOOL CALENDAR

Classes will begin the first full week in September. The Preschool will basically follow the Red Lion Area School District Schedule. Please refer to the calendar for this school year for exact dates and information on the school calendar since this will change slightly each year.

COVID note: Out of concern for the health and safety of all students, we reserve the right to make changes to the schedule. In the event that a child or family member has potentially been exposed to COVID, the church will need to evaluate the situation and may need to make changes to the schedule.

TUITION/REGISTRATION FEES

There is a **\$15.00 Registration fee** which is non-refundable. The fee must be paid to insure your son/daughter a position in the Preschool. The tuition is **\$110.00 per month for the 3-day class** and **\$90.00 per month for the 2-day class**. Tuition payment is due by the 10th of each month. If tuition payment is not received by the 20th of the month, a \$5.00 late fee will be charged. If your tuition is not received by the 30th of the month, your child will be withdrawn from the program. If special circumstances arise making it difficult to pay your child's tuition, please inform the church office immediately so that we can possibly make some special arrangements.

There will also be a **\$40.00 Activity Fee/Field Trip** fee which will cover the cost of all monthly field trips for the school year. This may be paid in a lump sum (due on October 1st) or may be paid in 2 payments (\$20.00 due on October 1st and \$20.00 due on January 2nd). This will eliminate the need to collect field trip money on a monthly basis.

ONLINE PAYMENT OPTION

For your convenience, we do offer an opportunity to make your payments online through our church website.

1-Go to the Website: www.saintpauls-um.com

2-Click on the 'Give Online' image on the home page

3-Follow the instructions to make your secure payment online. (Under **Preschool**, you may select **Tuition**, **Activity Fee**, or **Lunch Bunch**)

ILLNESS/ABSENCES

There are no refunds for sick days. However, in the case of extended illness (if the student is absent for more than 4 consecutive days for the 2-day class or the student is absent for more than 6 consecutive days for the 3-day class) the parent will not be expected to pay for the period of illness PAST THE TWO WEEKS. The parent will be billed for the first two weeks of illness.

Whereas the parent is exempt from paying tuition due to an extended illness, a doctor's certification is required.

We offer the preschool program as an outreach program because we feel there is a need for quality educational programs for the preschool child. We limit enrollment to be sure we're within guidelines for student/adult ratios. Your tuition covers the basic cost of our operational fees. Therefore, in case of extended absence other than illness, tuition must be paid in order to hold your child's spot in the class.

HEALTH CARE CONCERNS

Please refer to [COVID Protocols, Procedures, and Policies for specific information about COVID 19 guidelines](#).

To protect the good health of your child and others, it is expected that any sign of fever, nausea, undiagnosed rash, or any other illness is sufficient reason for your child to stay at home. Remember the exposure to other children and staff. If your child becomes ill at school, you are notified immediately. However, if your child appears to need medical attention upon immediate arrival, we reserve the right to refuse admittance without a doctor's note.

Keeping your child from school when any of the following symptoms occur can control communicable diseases:

- | | |
|---|------------------------|
| *Excessive nasal discharge and sneezing | *Vomiting |
| *Fever (+100 degrees) | *Diarrhea |
| *Excessive scratching of the scalp | *Excessive coughing |
| *Itching, red or infected eyes | *Infected skin patches |
| *Earache | |

Children with any serious illnesses such as Flu, Scarlet Fever, Meningitis, Measles, Pneumonia, etc. should be kept out of school until your physician decides the child can return without danger to himself or other children or staff.

Also, please contact the school immediately upon diagnosis of any communicable disease in order for us to notify other parents.

In regard to returning your child to school after having a communicable disease, St. Paul's United Methodist Church Pre-school adheres to the following rules:

Chicken Pox:	One (1) week after rash begins and/or all chicken pox are scabbed over.
Impetigo:	24 hours after treatment and infected area is dry-crusted.
Pediculosis (Head Lice):	After treatment and head is clear. If you suspect head lice, please do not send your child to school and contact the teacher immediately.
Ringworm:	After treatment has begun and note is presented from family physician.
Scabies:	24 hours after treatment has begun.
Strep Throat:	Should stay home from school or day care until they have taken antibiotics for at least 24 hours
Pink Eye:	Two (2) days after treatment has begun and eyes are clear.

Bringing your child with any signs of illness to the school may cause other children to get sick. If ALL parents keep sick children home, everybody's children will stay healthier. In the end, this will mean fewer lost work days and fewer illnesses for parents too.

WITHDRAWAL

Your child may be withdrawn from the program at any time; however, a written request must be received by the church two (2) weeks prior to the date of your child's withdrawal.

DROPPING THE CHILD OFF AND PICKING THE CHILD UP

For your child's safety, please inform the teacher of who will be picking your child up. If someone OTHER than the person who normally picks the child up will be picking the child up, please inform the teacher by note. Also, if there are any special circumstances of which we should be aware, please inform the teacher. If any of the information changes dealing with pickup of your child, inform the teacher or church immediately.

Please refer to COVID Protocols, Procedures, and Policies for specific instructions for dropping the child off and picking the child up

LATE PICK-UP POLICY

When a parent is 10 minutes late to pick up their child from Pre-school an additional \$5.00 charge will be added to their monthly tuition bill. An additional \$5.00 charge will also be added to their bill for each additional 5 minutes beyond the original 10 minute time period. The money that is collected will be given to the Preschool teacher for her time. You will be notified by the Preschool teacher before a charge is added to your monthly tuition statement.

SPECIAL PROGRAM/EVENTS

The students will be celebrating special holidays such as Halloween and Christmas. A special end-of-the-year Program will be held.

COVID Note: Every attempt will be made to celebrate special holidays, however there may still be some restrictions due to COVID policies and procedures. Hopefully, this situation will be resolved to allow us to resume most programs this year!

PARENT/TEACHER RELATIONSHIP

The parent/teacher relationship is a very important aspect of our program. Working together will enable us to provide the best program for your child. The key will be to keep the line of communication open between the Directors/Instructors of our program and the parent.

The teacher will attempt to keep you informed of pre-school happenings by providing a newsletter at least monthly. We also would like to utilize willing parent volunteers to aid in various activities throughout the school year. If you have any talents you'd like to share, please call and discuss them with the teacher. We may also utilize parents for driving their child for monthly field trips, providing snacks, and for special programs.

[COVID note: Due to Covid, we may still need to restrict volunteers for special programs. We will reevaluate throughout the year.](#)

Please keep the teacher abreast of any unusual circumstances within your home which may affect your child's behavior at school. If, at any time, you feel a conference is necessary, do not hesitate to contact the teacher.

SNACKS

Juice will be provided by the church, however, parents are asked to provide a snack for the child's class one time per month. A sign-up sheet will be provided by the teacher so that the parent may sign up for a day to provide the snack for that month. If your child has a birthday that month, they may want to bring the snack for their birthday.

[COVID note: Due to Covid precautions, we are asking you to bring pre-packaged snacks if you volunteer to provide a snack.](#)

ANNOUNCEMENTS

Any important information or news will be posted on the bulletin board outside the classroom or will be provided to you by email, text, or other social media tools..

[COVID note: Due to Covid precautions, only staff will be permitted to enter the building. It will be especially important this year that parents stay up-to-date with information from the teacher via the church webpage, email, or Seesaw.](#)

OUTSIDE DOOR POLICY

All of the outside doors are to stay locked during the day. Preschoolers shall use only the large wooden doors outside of the preschool room. We will open that door before school starts and lock it again after all the students have arrived. It will be opened prior to dismissal. Cars should be parked on the street directly in front of the church or in the parking lot across the street from the church.

[Please refer to COVID Protocols, Procedures, and Policies for detailed arrival and dismissal information.](#)

IN CASE OF INCLEMENT WEATHER

Due to the fact that the Red Lion Area School District has implemented the use of *Flexible Instructional Days* as an option on inclement weather days, St. Paul's will, most likely, need to make decisions on a case-to-case basis as related to delays and cancellations.

If the Red Lion Area School District has a delayed opening, the preschool will also operate on a delayed schedule. In the event of a delay, preschool will start at 10:00 AM and will finish at normal time (11:30 am).

If the Red Lion Area School District is operating as a Flexible Instructional Day/Virtual Instruction Day, St. Paul's will either close, delay the start of class time, or offer a virtual option.

If the preschool is closed or operating on a delayed schedule, **this decision will be communicated to parents via email by 8:00 am.** Red Lion School District cancellations/delays can be found on the Red Lion Area School District Webpage.

The decision-making process for delays and closing is based on the fact that we have limited days available in our schedule for making up missed classes. Please use your judgement in deciding whether or not to bring your child in case of inclement weather.

The Tuesday/Thursday class will make up two snow days if the first snow day occurs before the 1st snow make up date (see current year calendar). After that it is up to the discretion of the teachers and preschool committee depending on the number of snow days that occur. The Monday/Wednesday/Friday class will make up three snow days providing they occur before the designated make-up dates (see current year calendar). After that, it is up to the discretion of the teachers and preschool committee depending on the number of snow days that occur.

In the event we have an unusually high number of snow days, the preschool committee will work with the teachers and make all attempts to provide additional options for making up some of the instructional time missed due to inclement weather.

SPECIAL INFORMATION

*****Students who are enrolled in the 2-day class will automatically be eligible to enroll in the 3-day class. Registration, however, must be paid by March 15th to hold your child's spot in the 3-day class. This enables us to fill the classes with other interested children if your child does not enroll.

*****The teacher will only dispense emergency medications (medications for bee stings, allergies, etc.). In the event emergency medications need to be kept at the school, the parent must bring the medication to school and give written instructions as to administering the medication.

FUND-RAISING

The Pre-school Committee may decide to conduct fundraiser(s) as needed. Money raised will be used to maintain and improve our preschool classroom.

PARKING

Parking for all pre-school events, including drop-off and pick-up, is permitted in any designated church parking lot. On-street parking is also available where permitted by law.

Please note that the areas behind the church and between the church and Red Lion Community Services are part of a Red Lion borough alley and **cannot be blocked for any reason.** Blocking this alley would prevent emergency vehicles from accessing the alley in the event of an emergency situation at the church or Red Lion Community Services. Parking between the church and Red Lion Community Services is **prohibited.** There are designated handicapped areas for loading and unloading only.

FIELD TRIP TRANSPORTATION

St. Paul's and the United Methodist Church as a whole abide by a "Safe Sanctuary" policy which is aimed at reducing the risk of child abuse in the church. This policy helps ensure that our churches are safe places for children to grow and learn.

In keeping with this policy, we are implementing new procedures regarding transportation for field trips. For all field trips, students must either be transported by one of their parents, or by another friend or relative designated on the "Field Trip Transportation Permission Slip". These forms will be distributed to each parent and should be completed and returned to one of the teachers prior to the first field trip. Forms will be kept on file in the classroom and can be updated throughout the year as needed. Questions regarding this policy can be addressed to your classroom teacher.

[COVID note: Field trips will be determined by the teachers based on Covid precautions](#)

ABOUT OUR TEACHERS

3-Day Class Teacher/Director: Mrs. Patience Martin

Patience Martin has been a preschool teacher at St. Paul's UM church for over 20 years. She has her teaching degree from Messiah College. She is also employed by Unique Physique Fitness Center where she teaches fitness classes and is a personal trainer. Education. In addition to teaching, Patience is active in her church as a junior high youth advisor and Sunday school teacher. In her free time, she enjoys reading and values family time with her husband, teenage son and extended family.

2-Day Class Teacher: Mrs. Andrea Rider

Andrea received her Masters Degree in Elementary Education along with her Reading Specialist Certification from Millersville University. She has taught in the primary grades of the public school system. Andrea has been a strong supporter of St. Paul's Preschool. She was a member of the committee that developed and began St. Paul's Preschool. For the last 4 years, Andrea has been the Children and Youth Coordinator for St. Paul's UMC and the Director of the Den After School Program held at Mazie Gable Elementary School. Andrea loves working with children and she loves music! She enjoys sharing music with the children through educational songs!

Classroom Assistant: Melissa Joines

Melissa Joines has been a teacher's assistant for the past 12 school years at St. Paul's. She is a Sunday teacher at her church and also helps in the nursery and sings with the Praise Team. Missy has her Cosmetology license and is currently self employed in the beauty industry. She enjoys camping with her husband and 2 children. Missy is very active with her local fire company along with her family. In her free time, you will often find her reading and spending time in her garden.

Classroom Assistant: Carissa Eveler

Carissa lives in Dallastown with her husband and three children. She loves working with preschoolers because they are fun, unpredictable, and active.

When she is not working, she is very busy with her children who are involved with sports. She also loves the beach, going to church, spending time with her husband, trying new recipes, teaching her kids how to bake, listening to music, and doing yoga.

PRESCHOOL COMMITTEE

The Preschool Directors/Teachers are in charge of the daily happenings, planning, and implementation of curriculum within the preschool. St. Paul’s Preschool Committee consists of nominated church members that oversee the functioning of the Preschool. All activities that occur in the Preschool must be approved by this committee. The preschool committee works cooperatively with the classroom teachers and assistants.

SUMMARY OF THE PROGRAM

Emphasis is placed upon the importance of play, personal needs, awareness of environment, and careful observation of children’s behavior to guide development and learning.

2021-2022 COVID Policies and Procedures

The health and safety of our children and families is our highest priority. We also want to offer a quality program which is valuable, engaging, and enjoyable for the child. We hope the following information will provide you with the information you need to start this very unusual school year with confidence. We are very excited to begin a new year!

Given that the COVID pandemic is an evolving situation, we will continue to evaluate and update our procedures as necessary. We hope that the worst is behind us but we will still need to be cautious in our procedures. Please stay informed by checking your email or the church web page regularly for updates. Despite the pandemic, we were able to safely keep our preschool open for the 2020-21 school year. Again, will need a sincere group effort and 100% cooperation from everyone to have a successful 2021-2022 school year!. Thank you in advance for your support.

1. Drop off and pick up Procedures

- a. Staff members are the only adults permitted in the building.
- b. Drop off and pick up will take place outside the building. More specifically, cars will drop off and pick up in the alleyway by the preschool door.
- c. **Arrival/Drop Off:** All drop off traffic must go in the same direction. Please approach the alleyway from the main side parking lot of the church. Drive behind the church and wait for your turn in line to pull up to the handicap spot directly outside the preschool door. (For point of reference, when you are parked outside the preschool doors you MUST be facing toward First Avenue and in one line of cars). We do not want to block the traffic that would be using the Community Center next door. Once your car is first in line, a teacher will approach the car and assess the student by taking temperatures and checking for visible symptoms of illness. Once the student has been cleared, the teacher will help the student get out of the car and provide them with a school issued face shield (unless your child prefers to wear a mask of their own). It would be very helpful if your child can independently get themselves in and out of car seats--our hope is that parents/guardians won't even need to get out of the car so that (with practice) this process can be accomplished quickly and efficiently! Students will then be escorted into the building where they will wash hands prior to beginning daily activities.
- d. **Dismissal/Pick Up:** Please be prompt picking up your child. The cars should, once again, line up in front of the preschool doors facing First Avenue (approach the alleyway from the main side parking lot of the church, drive behind the church and wait for your turn in line to pull up to the handicap spot directly outside the preschool door). We will bring one student out at a time, ***To make things easier for departure, it would be helpful if you could provide a sign (large enough to be visible from the classroom window) with your child's name on it so we know which student belongs in which car.*** If you will be driving different cars, be sure there is a name sign for each car.
- e. The process for arrival will begin at 8:55 am to help avoid a backlog and dismissal will begin as soon as cars begin to line up.

2. Facial coverings

- a. Preschool staff will be required to wear facial covering (either mask or face shield) while caring for your child.
- b. We have purchased face shields for the students to be worn in the classroom. These will be left in the classroom and cleaned daily.
- c. If your child would prefer wearing a mask, that is fine, but you will need to provide it and remember to bring it every day.

(We will reevaluate this requirement at the beginning of the 2021-2022 school year.)

3. Snacks

- a. All snacks should be prepackaged.
- b. A snack 'sign up' will be provided by the teacher for snack donations.

4. Safe social distancing will be a priority when planning instructional and play activities.

5. Cleaning and sanitizing

- a. The classroom will be cleaned/sanitized daily by church custodial staff.
- b. Teachers will establish a procedure so that toys are cleaned frequently
- c. Sharing of equipment will be limited.
 - i. Children will have their own supplies (crayons, scissors, pencils, etc) which will be stored in their own cubby.
 - ii. Cubbies will only be used for school issued items.
 - iii. We will be limiting the amount of toys available for children to use.
- d. Face shields will be cleaned daily

6. Illness

- a. Please do not bring your child to school if he/she is showing any signs of illness.
- b. For the safety and health of others, your child will not be allowed to attend school if they are ill.
- c. If your child or anyone in your family has been potentially exposed to COVID please inform the preschool immediately and keep your child home for 5 days. If they are symptom free after 5 days, we will happily welcome them back to school.
- d. For more information related to COVID 19:
